3. BACKGROUND

- 3.1 SAA applied to the Commission under section 10 of the Act for an exemption of a bilateral agreement entered into between SAA and Quantas Airlines.
- 3.2 During 1999, and pursuant to the consideration of the aforementioned exemption application, the *Commission* discovered that SAA had entered into a number of other bilateral agreements with airlines competing on international routes, prior to the enactment of the Act and that SAA did not apply for the exemption of these agreements after the *Act* came into force on 1 September 1999.
- 3.3 The bilateral agreements concerned included Code Sharing Agreements, Joint Operation Agreements, Special Prorate Agreements and Sales Incentive Agreements between SAA and El Al, Cathay Pacific, Thai Airways, Varig Brazilian Airlines Limited, Deutsche Lufthansa AG ("Lufthansa") and Emirates Airlines.
- 3.4 As the *Commissioner* considered that the agreements and the conduct between SAA and six other international airlines relating to specific country-to-country routes might constitute the fixing of prices and/or trading conditions in contravention of section 4(1)(b) of the *Act*, he initiated a complaint in terms of section 49B of the *Act* on 18 July 2002.
- 3.5 This consent order relates to the Commission's investigation into agreements and conduct between SAA and Lufthansa, which regulated their relationship in respect of flights which they both operated between Cape Town/ Johannesburg and Frankfurt.

MR ³ HBT/KW

- 3.5 The *Commission* summonsed SAA and Lufthansa to provide it with relevant documentation and for certain employees to appear in person.
- 3.6 SAA subsequently provided the *Commission* with all information/documentation sought and some of its employees were interrogated under oath by the *Commission*.
- 3.7 The bilateral agreements concluded between SAA and El Al, Cathy Pacific, Thai Airways, Varig Brazilian Airlines Limited and Emirates Airlines were found not to have contravened the Act and notices of non-referral were issued in respect of these matters.

4 COMMISSION'S FINDINGS

After completing its investigation, the *Commission* concluded that:

- 4.1 The product market is defined as that of a commercial airline service between two geographic points. In this instance, SAA and Lufthansa were and are competitors on the route between Cape Town/Johannesburg and Frankfurt.
- 4.2 Documentary and other evidence pointed to an agreement or concerted practice between SAA and Lufthansa, to fix the selling price of air tickets on their flights between Cape Town/Johannesburg and Frankfurt.
- 4.3 Meetings and communications between employees of SAA and Lufthansa occurred, where price changes and the harmonization of

fares was discussed and agreed upon. These meetings and communications were the result of the co-operative relationship, which existed between SAA and Lufthansa as a consequence of the various bilateral agreements between the two airlines.

4.4 SAA and Lufthansa had contravened section 4(1)(b)(i) of the *Act* in that they had directly and/or indirectly fixed the selling price of air tickets on their flights between Cape Town/Johannesburg and Frankfurt.

4.5 SAA stopped the above conduct in 2002 shortly after the *Commission* initiated its investigations.

5. AGREEMENT CONCERNING CONDUCT OF THE *RESPONDENT*

The *Commission* and SAA agree (subject to the provisions of clause 8 hereunder) that SAA shall:

5.1 Not fix the selling price of air tickets with Lufthansa or any other firm with which it is in a horizontal relationship, either through direct agreement with or through indirect arrangements, communications or understandings in contravention of section 4(1)(b)(i) of the *Act*.

5.3 Within twelve months from the date on which *this agreement* is confirmed as a consent order, initiate a compliance programme designed to ensure that its employees and directors are informed of and comply with their obligations under competition law and the provisions of the *Act*.

- 6.2 The *Respondent* acknowledges that the penalty amount does not exceed 10% of its annual turnover in and its exports from the Republic during the preceding financial year.
- 6.3 The penalty amount is to be paid into the bank account of the *Commission* by no later than 31 May 2007. The *Commission's* banking details are as follows:
