2. The Complaint and Complaint Investigation

2.1 On 10 September 2008, *Sasol* together with its subsidiaries, including *Tosas*, applied for and subsequently obtained conditional immunity in terms of paragraph 12 of the applicant's *CLP*, in respect of their participation in the development of, and agreement to adopt, a pricing mechanism in respect of the sale of base bitumen and bituminous products.

2.2 In its application for leniency *Sasol* alleged that it, together with *Chevron*, *Engen*, *Shell*, *Total*, *Masana* and *Tosas* being parties in a horizontal relationship, had contravened section 4(1)(b)(i) of the Act by engaging in price fixing by agreeing to a mechanism to calculate the WLSP (Wholesale List Selling Price), and to the development and implementation of the BPAF (Bitumen Price Adjustment Factor) in relation to the sale of base bitumen and bituminous products.

2.3 On 12 January 2009, and pursuant to *Sasol's* leniency application, applicant initiated a complaint in terms of section 49(B) (1) of the Act against the respondents. The applicant conducted an investigation into the relevant facts disclosed by *Sasol* and concluded that *Chevron*, *Engen*, *Shell*, *Total*, *Masana*, *Sasol* and *Tosas* had indeed engaged in restrictive horizontal practices, in contravention of section 4(1)(b)(i) of the Act.

2.4 The Commission's investigation revealed that:

2.4.1 In and during the period commencing from September 2000 to December

A handwritten signature in black ink, consisting of a large, stylized initial 'R' followed by a cursive name, likely 'R. J. van der Merwe'.

2009, and possibly thereafter, *Chevron, Engen, Shell, Total, Masana, Sasol* and *Tosas*, being parties in a horizontal relationship, acting through their representatives, entered into various agreements, and engaged in conduct that involved concerted practices and/or took decisions that were intended to directly and indirectly fix the purchase or selling price of bitumen and bituminous products in the Republic in contravention of section 4(1)(b)(i) of the Act.

2.4.2 *Chevron, Engen, Shell, Total, Sasol* and *Tosas* are producers and / or suppliers of bitumen, and compete with one another in the production and / or sale of bitumen and bituminous products in the Republic. *Chevron, Engen, Shell, Total, and Sasol* are also members of *SABITA*, a non profit organisation that represents *inter alia* producers of and applicators of bituminous products.

2.4.3 The respondents, operating through *SABITA*, as well as through other forms of communications, including bilateral communications between them agreed a formula for determining the pricing of base bitumen and bituminous products.

2.4.4 Historically, the petroleum and energy companies calculated the prices for bitumen with reference to an industry-wide retail price list for bitumen and bituminous products. This was calculated collectively by all petroleum companies and was referred to as the Wholesale List Selling Price ("WLSP").

2.4.5 The WLSP for bitumen was made up of the In Bond Landed Costs ("IBLC"), which essentially was an import parity based formula where various transport related costs were added to a Free on Board ("FOB") heavy fuel oil price at typical international refining centres. This base price was replaced finally by the Durban Bunker price. Added to the IBLC to arrive at the WLSP were the *SABITA* levy, the margin and the Road Equalisation Factor ("REF"), which was subsequently replaced by the Crude Oil Pipeline tariff.

Two handwritten signatures in black ink are located at the bottom right of the page. The first signature is a large, stylized 'R' with a flourish. The second signature is a smaller, more cursive signature.

2.4.6 *Chevron, Engen, Shell, Total, Masana, Sasol and Tosas* and other role players in the industry, in contravention of section 4 of the Act, discussed the establishment of a mechanism to set the WLSP of bitumen in relation to the Bitumen Pricing Index. The respondents adopted the BPAF as a basis for price escalations in their contracts with end consumers

3. The Complaint Referral

3.1 The *Commission* referred the above complaint to the *Tribunal* on 4 March 2010.

3.2 Prior to the referral, *Masana*, approached the *Commission* indicated its willingness to settle the matter and in addition provided the *Commission* with information pertaining to its role in the cartel. The *Settlement Agreement* was concluded as a result of *Masana's* engagement with the *Commission*.

4. Statement of Conduct

4.1 *Masana* admits that it has contravened section 4(1)(b)(i) of the Act, in that:

4.2 *Masana* and its competitors

4.2.1 met and shared competitively sensitive information relating to the pricing of bitumen and associated products;

4.2.2 made use of a common platform to transparently share and exchange pricing information;

4.2.3 used, made use of and implemented the agreed pricing formulae.

4.3 The Corporate Senior Management of *Masana* confirm that, to the best of their knowledge and belief, there are no further contraventions of section 4 of the Act, which were and /or might have been engaged in by *Masana*.

5. Agreement Concerning Future Conduct

The image shows two handwritten signatures in black ink. The signature on the left is a large, stylized 'R' with a long horizontal stroke extending to the right. The signature on the right is a smaller, more cursive signature that appears to be 'Masana'.

5.1 *Masana* agrees to cooperate with the *Commission* in relation to the prosecution of any other parties under the *Complaint Referral*. This cooperation includes and is not limited to the provision of evidence (documentary and oral), pertaining to the contraventions detailed in this Settlement Agreement and the provision of witnesses to testify to this conduct in proceedings before the *Tribunal*.

5.2 *Masana* agrees to:

5.2.1 circulate a statement summarising the contents of this Settlement Agreement to all management and operational staff employed in its business within 30 days from the date of confirmation of this Settlement Agreement by the Tribunal;

5.2.2 develop and implement a compliance programme incorporating corporate governance designed to ensure that its employees, management and directors do not engage in any conduct which constitutes a prohibited practice in terms of the Act, a copy of which programme shall be submitted to the Commission within 60 days of the date of confirmation of this Settlement Agreement by the Tribunal;

6. Administrative Penalty

6.1 Having regard to the provisions of sections 58(1)(a)(iii) as read with sections 59(1)(a), 59(2) and 59(3) of the Act, *Masana* accepts that it is liable to pay an administrative penalty.

The parties have agreed that *Masana* will pay an administrative penalty in the amount of R13 000 000, 00 (thirteen million rand)

6.2 This amount does not exceed 10% of *Masana's* annual turnover in the Republic and its exports from the Republic during the preceeding financial year.

6.3 Masana will pay the amount set out in paragraph 6.1 above to the Commission within six months from the date of confirmation of this Settlement agreement by the Tribunal. This amount will be paid over by the Commission to the National Revenue Fund, referred to in section 59(4) of the Act.

7. Full and Final Settlement

This agreement, upon confirmation as an order by the Tribunal, is entered into in full and final settlement and concludes all proceedings between the Commission Masana relating to any alleged contravention by the respondents of the Act that is the subject of the Commission's investigation referred to the Tribunal under CT Case No. 06/CR/Mar10
