2. The Complaint and Complaint Investigation

- 2.1. On 03 April 2009, the Commissioner initiated a complaint in terms of section 49B (1) of the Act against Maksal, CTA, WHS and Arkam for possible contravention of section 4(1)(b)(i), 4(1)(b)(ii) and 5(1) of the Act. The complaint was initiated pursuant to the investigation of a third party complaint which was lodged with the Commission but was later withdrawn.
- 2.2. On 14 March 2012, following receipt of a leniency application by Maksal dated 23 November 2009 in terms of the Commission's Corporate Leniency Policy ("CLP"), the Commissioner amended the initiation statement of 3 April 2009.
- 2.3. In its CLP application, Maksal submitted that it and CTA had engaged in price fixing and market division in the market for the manufacture and supply of copper plumbing tubes in contravention of section 4(1)(b) of the Act.
- 2.4. During the course of its investigation, the Applicant found that the section 4(1)(b)(ii) contravention i.e market division, had ceased in 2000 which is more than three years prior to the Commission's initiation. The Commission therefore non-referred this aspect of the complaint as it had prescribed in terms of section 67(1) of the Act. Regarding the alleged contravention of section 5(1) i.e restrictive vertical practices, the Commission took a decision not to refer a complaint with regard to this alleged contravention on the basis of insufficient evidence.
- 2.5. The Commission's investigation however revealed that in the period from about early 2006 until at least 2009, CTA and Maksal agreed with each other in respect of price adjustments for copper plumbing tubes, as well as the timing to effect such adjustments.

3. The Complaint Referral

- 3.1. Following its investigation, the Commission concluded that the conduct by Maksal and CTA constituted a contravention of section 4(1)(b)(i) of the Act, in that they agreed,

alternatively engaged in a concerted practice to directly or indirectly fix the purchase or selling price of copper plumbing tubes.

- 3.2. In light of its findings, the Commission decided to refer the complaint on 5 July 2012 to the Tribunal for determination.

4. Statement of Conduct

CTA admits that it has contravened section 4(1)(b)(i) of the Act, in that from the period commencing early 2006 until at least 2009, it agreed with its competitor, Maksal, to fix the selling price of all copper plumbing tube products.

5. Agreement concerning the Respondent's future conduct

5.1. CTA agrees to:

5.1.1. the extent that it is in existence, provide evidence, written or otherwise, which is in its possession or under its control, concerning the alleged contraventions contained in this Settlement Agreement.

5.1.2. desist from the conduct described above.

5.1.3. develop, implement and monitor a competition law compliance programme incorporating corporate governance designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Act. In particular, such compliance programme will include the following:

5.1.3.1. a competition policy to be drafted and implemented by CTA;

5.1.3.2. provide specific training on competition law aspects particularly relevant to CTA;

5.1.3.3. ensure that such training will be made available to all new employees joining CTA. Furthermore, CTA will update such training annually to ensure on an on-going basis that it and its members cannot engage in any anti-competitive activities.

A handwritten signature, possibly 'B', is written over a large, sweeping scribble that extends across the bottom right of the page.

5.1.4. To submit a copy of such compliance programme to the Commission within 60 days of the date of confirmation of the Settlement Agreement as an order by the Competition Tribunal;

5.1.5. To circulate a statement summarising the contents of this Settlement Agreement to all management and operational staff employed at CTA within 60 days from the date of confirmation of this Settlement Agreement by the Tribunal;

6. Administrative Penalty

6.1. Having regard to the provisions of sections 58(1)(a)(iii) as read with sections 59(1)(a), 59(2) and 59(3) of the Act, CTA accepts that it is liable to pay an administrative penalty.

6.2. The parties have agreed that CTA will pay an administrative penalty in the amount of R 8,000,000.00 (Eight million rand);

6.3. This amount does not exceed 10% of CTA's total annual income in the Republic and its exports from the Republic for its 2008 financial year;

6.4. CTA will pay the amount set out in paragraph 6.2 above to the Commission within one month from the date of confirmation of this Settlement Agreement as an order by the Tribunal.

6.5. The penalty must be paid into the Commission's bank account which is as follows:

Name:	The Competition Commission Fee Account
Bank:	Absa Bank, Pretoria
Account Number:	4050778576
Branch Code:	323 345
Reference:	CTA / 2008 Nov4111

6.6. The penalty will be paid over by the Commission to the National Revenue Fund in accordance with the provisions of section 59(4) of the Act.

7. Full and Final Settlement

This agreement, upon confirmation as an order by the Tribunal, is entered into in full and final settlement and concludes all proceedings between the Commission and CTA relating to any alleged contravention of the Act by the respondent that is the subject of the Commission's investigation referred to the Tribunal under CT Case No. 2008 Nov4111.
