**Subject:** RE: Complaint Withdrawal against Real Tree Trading

Good Afternoon

Further to our above complaint, management at GSRC Management have met with management of RealTree Trading and we have been assured that they will adjust their pricing to bring it into line with our pricing model hence our reason for wanting to withdraw this complaint against them.

This is for Safety Induction Training at the ArcelorMittal Vanderbijlpark Steel Plant and we, GSRC, have been the sole provider for the last four years in this field of supplying that training to ArcelorMittal Steel Vanderbijlpark.

As of the 4<sup>th</sup> October 2013, Real Tree Trading were given the opportunity of also providing the same training to contractors going into ArcelorMittal Steel premises and they initially made their pricing at R200/person as opposed to our pricing of R250-00/person. We then dropped our price to meet them on R200-00/person but they then dropped their pricing again to R180-00/person, a price that we cannot meet as they have dominance in the market of being a Non-Profit Organisation with the backing of ArcelorMittal Steel and numerous commercial enterprises that generate cash flow for them.

It was because of this that we approached the competition commission but after our latest meeting of Tuesday 22 October they have advised us that they are going to drop their prices to meet ours at R200-00/person so we do not need to take the complaint further.

I hope that this is sufficient, but please feel free to contact me for anything further.

Best regards
