2. THE COMMISSION'S INVESTIGATIONS AND FINDINGS

2.1 In November 2011, the Commission initiated a complaint in terms of section 49(B)(1) of the Act (under case number 2011Nov5779) against Avusa Media Limited ("Avusa"), Caxton Community Newspapers Limited ("Caxtons"), Independent Newspapers Proprietary Limited ("Independent News"), Media24 Limited ("Media 24"), Radmark Proprietary Limited (collectively, the "respondents") and MCC.

2.2 In December 2015 (under case number 2015Dec0695) the Commission expanded the initial complaint to include 24 additional respondents.

2.3 The allegations against the respondents are that:

2.3.1 through the medium of the MCC, the respondents agreed to offer similar discounts and payment terms to advertising agencies that place advertisements with MCC members. For accredited agencies, the discount offered is 16.5% for all payments made within 45 days of the date of the statement while for the most part the discount offered to non-accredited agencies is 15% for payments made within the same period.

2.3.2 The respondents also agreed to charge a 50% cancellation fee in

respect of all adverts that the advertising agencies withdraw 24 hours before publication.

2.3.3 The respondents as members of the MCC employ services of an intermediary company called Corex to perform the risk assessment on advertising agencies for purposes of imposing the above settlement discount structure and terms on advertising agencies.

2.3.4 The Commission found that the above mentioned practices by the respondents gave rise to a restriction of competition amongst competing respondents in that they did not independently determine an element of a price in the form of discount or trading terms. These practices amount to price fixing and the fixing of trading conditions in contraventions of section 4(1)(b)(i) of the Act.

3. ADMISSION OF LIABILITY

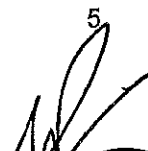

MTV admits that it engaged in the prohibited practices set out in clause 2 above in contravention of sections 4(1)(b)(i) of the Act.

5

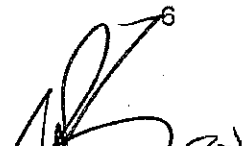

concerning the prohibited practices;
