2. BACKGROUND

2.1 On 03 November 2015, Sandton Fabrics filed the Complaint against Stuart Fabrics with the Commission. In the Complaint, Sandton Fabrics alleged, *inter alia*, that Stuart Fabrics has demanded that Sandton Fabric's mark up their fabrics by 50% of the wholesale plus Value Added Tax ("VAT") and must charge for transport or their account would be terminated. In October 2014 Stuart Fabrics terminated the account of Sandton Fabrics when it did not comply with this pricing policy.

2.2 The Commission conducted an investigation into the Respondent's alleged conduct and found the following:

Stuart Fabrics, being a firm in a vertical relationship with its retailer network and in particular Sandton Fabrics, engaged in the practice of minimum resale price maintenance in contravention of section 5(2) of the Act. Stuart Fabrics contravened section 5(2) of the Act by requiring Sandton Fabrics to adhere to its pricing policy in terms of which it was required to on-sell its products with at least a 50% mark-up on the wholesale price, plus VAT and transport costs, during the period from February 2013 to at least October 2014.

2.3 The matter was referred to the Competition Tribunal in terms of sections 50(2) and 49B(1) of the Act read with rules 14(1)(a) and 15 of the Rules for the Conduct of

Proceedings in the Competition Tribunal on 8 March 2018 under case number
CR326Mar18.

2.4 The Parties subsequently entered into settlement negotiations which resulted in
this Consent Agreement.

3. ADMISSION

Stuart Fabrics admits that it has engaged in the conduct of minimum resale price
maintenance in contravention of section 5(2) of the Act during the period of February
2013 to at least October 2014.

6.2 Stuart Fabrics undertakes to pay an administrative penalty in the amount of **R150 000.00** (One Hundred and Fifty Thousand Rand).

6.3 This amount does not exceed 10% of Stuart Fabrics total annual turnover in the Republic of South Africa during Stuart Fabric's preceding financial year.
