2. THE COMMISSION’S INVESTIGATION AND FINDINGS

- 2.1 On 05 July 2017, the Commissioner initiated a complaint in terms of section 49B of the Act against Automatic Sprinkler Inspection Bureau (“ASIB”) and all sprinkler installers registered with ASIB. This complaint is being investigated under case number 2017Jul0013.
- 2.2 On 03 August 2017, the Commission conducted a search and seizure operation at the premises of ASIB and 22 of its Listed Installers and seized documents and electronic data from these premises.
- 2.3 On 16 August 2019, the Commission filed the Complaint Referral, citing certain Listed Installers as respondents. Belfa Solutions was cited as the 2nd Respondent.
- 2.4 The allegations against ASIB and its Listed Installers, including Belfa Solutions are that they agreed to allocate to each other specific services in terms of which ASIB would provide inspection and certification services while the Listed Installers, including Belfa Solutions would provide automatic sprinkler installation services.

2.5 It is further alleged that the Listed Installers agreed and were prohibited from conducting business in territories (provinces/regions) in which they were not listed and that they should only have conducted business in territories (provinces/regions) where they were listed / registered.

2.6 The Investigation revealed the following:

2.6.1 ASIB is a private company which has an arrangement with other private companies that are installers of fire sprinklers in terms of which ASIB is fashioned as an association and the installers of fire sprinklers are fashioned as members of ASIB.

2.6.2 The arrangement further entails that on becoming a Listed Installer of ASIB, each of the Listed Installers agreed to adhere to ASIB rules which entailed that inspection services would be performed by ASIB only whilst the Listed Installers would provide installation services only.

2.6.3 The ASIB rules enabled Listed Installers to divide the market by allocating territories in that a Listed Installer registered in a particular area is limited to render its service in its registered area.

2.6.4 This conduct between ASIB and Listed Installers amounts to market division by allocation of specific types of services and territories in contravention of section 4(1)(b)(ii) of the Act.
