2. INVESTIGATION AND FINDINGS OF THE COMMISSION

- 2.1. On 4 December 2014, the Commission conducted a search and seizure

operation under Case No. 2014Nov0687 at the manufacturing premises of Investchem and Akulu and seized hard copy documents and electronic data after having received information regarding possible contraventions of section 4(1)(b)(i) and (ii) of the Competition Act 89 of 1998 in relation to the supply and manufacture of Surfactants by Investchem and Akulu. Where appropriate, Investchem and Akulu are referred to as the "Respondents".

2.2. The Commission's investigation revealed the following:

2.2.1. During the period 2003 to 2013, the Respondents being competitors and/or potential competitors in the manufacture and supply of Surfactants concluded an agreement to fix prices and divide the market by allocating customers.

2.2.2. The Respondents discussed and agreed on increasing prices of Surfactants which would entail increased margins. In terms of the agreement the Respondents would discuss increases of input costs, specifically costs of LAB and LAE and this would enable them to agree on the market price to customers. The Respondents would then increase their prices by the same amount and at the same time in response to increases in input costs.

2.2.3. The Respondents also agreed to divide the market by allocating customers to each other and agreeing to not pursue each other's allocated customer. To achieve this, the Respondents would quote a much higher price if a customer belonging to the other would request a quote.

2.3. During 2014 and 2015, various businesses within AECI's Chemicals Cluster, including those operated by AECI's Akulu division, were transferred to AECI's CI division. Akulu continues to hold various assets. The future conduct agreed to in this agreement is binding to CI in as far as it relates to the surfactants business of AECI, previously operated by the Akulu division of AECI and currently operated by the CI division of AECI.

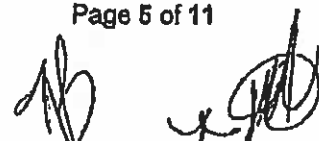

3. ADMISSION

3.1. Akulu admits that it engaged in the conduct set out in clause 2.2 above in contravention of section 4(1)(b)(i) and (ii) of the Act.

4. CO-OPERATION

4.1. Akulu confirms that it has ceased engaging in the conduct set out in clause 2 above.

4.2. CI agrees to fully co-operate with the Commission in its investigation and prosecution of the other participant(s) in the alleged contravention. This

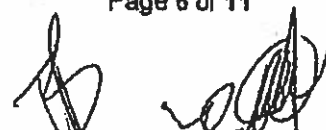

co-operation includes, but is not limited to the following:

- 4.2.1. To the extent that it is in existence, the provision of evidence, written or otherwise, which is in its possession or under its control, concerning the alleged contraventions contained in this Consent Agreement.
- 4.2.2. Testifying in any complaint referral which may arise in respect of this conduct.
- 4.2.3. Availing its employees to testify as witnesses for the Commission. Where witnesses are not in CI's employ, but previously were in the employ of Akulu, CI undertakes to use its best endeavours to procure the co-operation of such witnesses with the Commission in the manner aforesaid.

5. ADMINISTRATIVE PENALTY

- 5.1. Akulu agrees that it is liable to pay an administrative penalty of R13 905 600.40 (thirteen million nine hundred and five thousand six hundred and forty cents). This amount is less than 10% of Akulu's annual turnover for the financial year ended December 2013.
- 5.2. Akulu shall pay the abovementioned amount to the Commission in one instalment. This payment shall be made within 30 days of the confirmation

of the Consent Agreement as a consent order by the Tribunal.

5.3. The payments shall be made into the Commission's bank account, details of which are as follows:
